CAMPFIRE GRILLE

"Camping" is what folks in Bridgton's Lakes Region call it, whether they are living in a tent along side a lake or stream, attending one of the many youth or family camps, as a summer or winter resident.

Our menu's names are based on the places, creatures, and experiences one might find in our special part of Maine, where any one can enjoy the essence of Maine's Motto:

The way life should be!

APPETIZERS: Animals, birds and fish abound in this region. From Moose and Bear, to Coyotes, to Deer, from Loons, Eagles, Herons and Chickadees, to Trout, Bass, Sunfish and finally seacoast favorites, there's a wild critter to interest everyone who ventures this way.
